The annual Cruise-in's have been a tremendous success. This will be the 4th Cruise-in season for downtown Hastings and by the looks of it... ..it certainly won't be the last. There were food vendors and merchandise vendors and between 2000 to 5000 spectators by the close of 2008 season. A very unique opportunity exists for your business to be involved with the cruise-in's. There are four levels of sponsorships available. Each level presents wonderful advertising for your business. Call Kevin Hoeschen, DBA President at 437-4400 to sponsor one, several, or all of the cruise-in's.

**All roads lead to Second Street  
Come and Join us at the 2009 Historic Hastings
